Department of Instrumentation Engineering, students Association of Instrumentation and Arts Club organized online welcome program for newly admitted students on 6th Feb 2021 at 12.30pm in online mode through Google meet platform, under the guidance of Dr. D. S. Karanjkar sir, Head of Instrumentation Engineering Department and Mentor of Arts Club.

Ms. Saloni Mane & Mr. Atharva Khodke welcomed Dr. M. A. Dabhade sir, Dr. D. S. Karanjkar sir, Prof. S. G. Hingmire sir, Prof. D. M. Wani sir and all the newly admitted students to welcome program. Initially the students who are already the member of Arts Club shared their experiences with all the members joined. They shown their performances performed in various events like Silver jubilee Alumni Meet of Instrumentation Engineering organized on 11th Jan 2020, Republic day i. e. on 26th Jan 2020 through You Tube Links. Then Ms. Saloni Mane invited Dr. M. A. Dabhade sir for guiding the students. Sir has informed that students should be all-rounders, they should participate in extracurricular activities like instrument playing, singing, dancing, anchoring, speech presentation, Sketching, poster presentation and many more by maintaining their studies. These activities are very much important for making overall growth of a student.

Then Newly admitted Students given their introduction and shared their area of interest. Some of the new students performed in the online welcome program like singing and Harmonica playing and so on.

Dr. D. S. Karanjkar sir informed all the students regarding maintaining discipline in the arts club also guided for performing activities. Finally, Mrs. S. S. Swami presented vote of thanks for the Welcome Program.
